- Send a regular monthly newsletter to all members with event information and updates on other matters of interest to Australian and New Zealand business – as well as member announcements.

ABiE Czech Republic is part of the *Australian Business in Europe* network, a worldwide business network founded in 1975 to provide a forum for Australians working in Europe and for European businesspeople associated with Australia. ABiE already has a presence in all major European countries. In addition, we also have the support of the New Zealand and Australian Embassies as well as CANZA, the Czech Australian New Zealand Association.
